

# Jobber Demo Rewards Program Registration Form

## Instructions for Jobber:

1. Fill out the form below with your name, your contact info, and the names of the shops you will take us to for demonstrations of our nitrogen plastic welder. Prospects need to be in the auto or heavy truck collision repair business and must be financially capable of purchasing a nitrogen plastic welder. Preferably the prospects either do not currently have a nitrogen plastic welder or would consider upgrading an older unit.
2. Assign a "Qualification Code" to each shop: "A" for hot lead, "B" for lukewarm, and "C" for long shot.
3. Send the form to Kurt Lammon via email to [kurt@polyvance.com](mailto:kurt@polyvance.com), via fax to 256-638-8490, or via cell phone photo to 256-997-6971. Kurt or your regional sales rep will contact you to set up a time to do the demos.
